

# A LOOK INSIDE **arck**

ARCK strives to unlock creative potential, empowering students with high quality arts education that fosters culture & community while also supporting a school's learning objectives in alignment with the Common Core and National Visual Arts Standards.

## ARTS AS A VEHICLE

## FREE TO STUDENTS

Our **free program** brings arts + STEM education, critical thinking, social-emotional, and creative development to underserved students.

ARCK's three 12-week modules explores cultural identity and global awareness through **Leadership, Civic Engagement, & Social Justice**.

## CULTURE & COMMUNITY

## IMPACT ON SCHOOLS

Our program has reached **1000+ K-8 students** in Roxbury, Allston, Brighton, East Boston, South End, Chinatown, and Jamaica Plain and currently runs in several partner **schools**.

Our curriculum is continually evolving to incorporate STEAM components that connect art to **science, technology, math, & engineering** as well as literacy and 21<sup>st</sup> Century Skills.

## STEAM CURRICULUM

## PARTNERSHIPS

ARCK focuses on empowering the whole child through collaboration between classroom teachers, teaching artists, mentors, parents, and administrators. Through ARCK's in-school instruction and community programming, **we engage families and communities, because art takes a village.**
